

TRAIN WITH THE BEST AT MPA SKILLS

Train with MPA Skills and you will be well on your way to starting a successful painting career.

MPA Skills is a Registered Training Organisation [RTO] and train apprentices from either direct indenture or from the Group Training Organisation [GTO], as well as providing advanced training programs.

Renowned for producing the state's best tradesmen and women, each year MPA Skills delivers a substantial number of painting and plumbing apprentices to the industry, and trains more than 1,200 students with its apprenticeship programs.

MPA Skills is backed by industry, so you know you will get the best training to meet current industry needs.

It also runs advanced training programs so you can even go further in your career, including running your own business.

- Training facilities North and South of the River
- Payment plans available
- Flexible learning where MPA Skills can come to you
- Industry-recognised qualifications and training
- Flexible arrangements to meet your business needs
